Hi Mike,

If Chris wants to copy the beans I sent forth for the others, I'll gladly hand that over to him. Please make sure its brought to Kerry's attention that these are the pfas-free container beans and they should be expedited. The letter at the end will depend on the results of the CITAB review. I'll gladly share that with you when we're ready for signature (not sure if the person who signs really matters in the end).

Please ask Chris to Cc me on any correspondence with CITAB (including when he sends the bean) and let me know if he needs to reach out to the registrant.

Thank you,
Jackie

Hi Jackie.

Clarke has submitted several more R340 new container SS/CC actions. They are assigned to Chris Taylor.

Do you want us to Bean them and then have us work with you on the letters.... or do you want to Bean them and handle the letters yourself as was the case with the previous actions.

Please let me know your preference.

Thanks.

Mike
